

## Reflections, comments and questions

### What do YOU say?

- How do YOU envisage your green city by 2030? What can YOU do to achieve this vision?
- What can YOUR CITY do to achieve this vision?
- What can the MISSION do to achieve this vision+

## Reflections, comments and questions

- Concern and needs
- Priorities
- Proposals/Recommendations for actions and strategies
- Suggested partnerships to accomplish the Mission's objectives
- Lessons learned
